Independent Auditor's Report

To the Owner of POKROV FOUNDATION

Report on the Financial Statements

We have audited the financial statements of Pokrov Foundation, which comprise the statement of financial position as at 31 December 2014 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Pokrov Foundation's Responsibility for the Financial Statements

The Company is responsible for the preparation and fair presentation of these financial statements in accordance with National Standards on Financial Reporting for Small and Medium Enterprises. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of Pokrov Foundation as of 31 December 2014 and of its financial performance and its cash flows for the year then ended in accordance with National Standards on Financial Reporting for Small and Medium Enterprises.

The accompanying Annual Program Report of Pokrov Foundation as December 31, 2014, is presented for the purposes of additional analysis and is not a required part of the basic financial statements. This information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statement taken as a whole.

Pokrov Foundation has internal control implemented by their personnel which is in compliance with all legal norms and legislation. Bank transactions are authorized by the respective accountant and the executive director. Incomes are recorded when received, and expenditures related to the accounting period but which are not paid yet are presented as liabilities. All economic transactions are documented fully and are available in both electronic and paper format. The job descriptions of the personnel are kept up to date. Bookkeeping has been kept by the same accountant since 2003.
